Overview

Who We Are

Girls on the Run is a national physical activity-based positive youth development program designed to develop and enhance girls' social, psychological, and physical competencies to successfully navigate life experiences. The program serves girls in 3rd - 8th grades and combines training for a 5k running event with self-esteem enhancing, uplifting workouts and curriculum-based lessons on themes such as dealing with body image and the media, resisting peer pressure, making healthy decisions, having gratitude, teamwork and contributing to the community. Teams meet twice a week for 10 weeks with trained coaches.

Over the course of the program girls will:

- * Develop and Improve Competence
- * Feel Confidence in Who They Are
- * Develop Strength of Character
- * Respond to Others and Oneself with Care and Compassion
- * Create Positive Connections with Peers and Adults
- * Make a Meaningful Contribution to Community and Society

Girls on the Run serving Maricopa and Pinal Counties is the local Girls on the Run Council. Founded in 2004, we are a 501(c)(3) organization funded by program fees, grants, donations and corporate sponsors. Over the past 13 years, Girls on the Run serving Maricopa and Pinal Counties has served more than 9,500 young girls across the Valley, and we are growing exponentially. In 2017, more than 300 coaches will mentor more than 1,500 girls, empowering them with the confidence and character they need to become strong, healthy women who make a positive impact in our communities. In 2018 we expect to serve even more girls.

**We believe that every girl
can embrace who she is,
can define who she wants to be,
can rise to any challenge,
can change the world.
Can.**

At the same time, via unique and highly sought after outreach opportunities and by aligning with Girls on the Run as a sponsor, you will receive the exclusive opportunity of access and promotion to this group. Over 80% of our race participants are females and represent two powerful customer bases: tweens and their Moms!

Sponsors receive:

- * Access to more than 3,500 participants at each event, including program participants ages 8-14, parents, corporate partners, volunteers and members of the local running community.
- * Recognition on event collateral, websites, via social media, press releases etc.
