

Site Liaison Description – Girls on the Run Sonoma County

All Girls on the Run/Heart & Sole sites must provide a Site Liaison. The Site Liaison can also be a coach but must have the time and flexibility in their schedule to meet the following job responsibilities: student recruitment process and online registration process, support families with the online registration and the submission of required forms, meeting the team size requirements, ensure that the site meets all Girls on the Run compliance standards, support coaches in implementation of the Girls on the Run/Heart & Sole program including curriculum and appropriate training space, and communication among coaches, participants, parents and the Girls on the Run staff.
