

Girls on the Run Mid Michigan Scholarship Program

Scholarships are available and **no girl who wishes to participate will be turned away due to inability to pay.**

The financial sustainability of our program depends upon the honesty and integrity of parents to pay what they are truly able to afford. Girls on the Run Mid Michigan is a 501-c3 non profit organization. Scholarships are made possible by the support of local businesses, foundations, and individuals. It is essential that each family contribute as much toward the full cost of the registration fee as it can.

Applying for a partial needs-based scholarship is part of the registration process and is based on household income and the number of people living in a household. Simply proceed through the registration form.
