Friends of Girls on the Run,

Finding strength through connectedness is one of our core values at Girls on the Run. In the past year we connected to new communities, incredible girls, fantastic volunteers, and supportive partners; this connectedness has allowed for exponential growth while maintaining our signature high-quality programming. We have a lot of great things to celebrate as a Girls on the Run community, and a lot to look forward to in 2017 and beyond.

Innovation was a theme in 2016. We launched a brand new curriculum, and in an effort to strengthen the coach experience we implemented a unique coach management process that keeps our more than 300 volunteer coaches feeling prepared and supported. In May we completely revamped our annual fundraising event, creating the Limitless Potential Luncheon that brought in three times the number of attendees and donations. For these innovations and more, we were recognized at the Girls on the Run International Summit where we received Pacesetter Awards in council management and capacity building.

While experiencing 100% growth, quality remained our highest priority. We invested in our staff by hiring one program coordinator and preparing to add another in early 2017. We launched a new site evaluation tool, modifying the Youth Program Quality Assessment Tool for our site evaluation team (composed of community members and staff) to use in measuring how a site is doing on creating safe, supportive, interactive and engaging spaces for girls. We were honored to be named the 2017 Minneapolis Chamber's Non-Profit of the Year in recognition of program quality and growth.

We are grateful to celebrate these successes while recognizing that it takes incredible community support from volunteers, donors and partners to have a transformational impact on the lives of so many people. Thank You!

While we look back with pride on an amazing year, we are also looking ahead with great anticipation as we prepare for more incredible growth. Thank you for your continued support; we hope you'll join us and consider deepening your commitment to GOTR in the coming year.

Together, we are making it possible for girls to know and activate their limitless potential and be free to boldly pursue their dreams.

With gratitude,

Mary Uran
Council Director

Alyssa Hawkins
Board President

What is Girls on the Run

Girls on the Run is a physical-activity positive youth development program (PA-PYD) designed to develop and enhance girls' social, psychological, and physical competencies to successfully navigate life experiences. Over the course of the program girls will:

- Develop and improve **competence**
- Feel **confidence** in who they are
- Develop strength of **character**
- Respond to others and oneself with **care and compassion**
- Create positive **connections** with peers and adults
- Make a meaningful **contribution** to community and society

These life skills will prevent unhealthy and risky behaviors, such as physical inactivity and negative body image, and promote positive healthy outcomes, including physical, mental, social, and spiritual health.

2016 Program Highlights

1,625

Girls Served

710 in 2015
270 in 2014
105 in 2013
24 in 2012

342

Coaches

193 in 2015
73 in 2014
26 in 2013
6 in 2012

68%
**Coach
Retention**

Our coaches come from all walks of life, and include: kindergarten teachers, PhD students, stay-at-home parents, physicians, yoga teachers, IT experts, speech pathologists, grandmas, principals, pharmacists, college students, psychologists, attorneys, baristas, medical students, army sergeants and more.

This year, our SoleMates represented GOTR in the **MN State Powerlifting and Midwest Open, Grandma's Marathon and Half Marathon, Twin Cities Ten Mile and Marathon, Minnesota Half Marathon, and even the Girls on the Run 5k this Spring.**

3,550
5k Participants

62
Program Sites

Total Scholarships
Provided:
\$109,840

Introduced the **GOTR Family Fund,** intended to break down any additional barriers the girls or their families may have to fully participate in the GOTR program

Community Service Projects

Each team planned and executed their own community impact project. Using the leadership skills they gained this year, girls worked together to support their chosen cause in a way which incorporated their own unique talents and abilities. Projects included lemonade stands, school clean-ups, change drives, creating and delivering handwritten cards and blankets, and so much more.

"It was great because of the people we're helping. It's important and we got to use our imaginations." —GOTR participant

Nonprofit of the Year Award

The Minneapolis Regional Chamber of Commerce has a long tradition of recognizing members of the business community that support and accelerate the region. The Best in Business Awards luncheon honors five companies who have excelled, grown and supported the community in unique and meaningful ways. Girls on the Run was honored to be named Nonprofit of the Year in 2016.

Pacesetter Council Management The Pacesetter Awards

The Pacesetter awards celebrate and honor exceptional Girls on the Run council efforts in five areas and provide a great opportunity for councils to showcase their extraordinary community commitment. In 2016, GOTR Twin Cities was awarded the Pacesetter Award in Council Management for innovative processes and management of Site Recruitment, Retention and Registration.

Pacesetter Capacity Building

GOTR Twin Cities was also awarded with the Pacesetter Award for Capacity Building in 2016, honoring our unique and successful approach to our 3-year Strategic Plan from 2013-2016, which allowed for incredible program growth and revenue growth to mirror it. The strategic plan created by the staff and board allowed for transition from a small start-up to a sustainable non-profit with a strong foundation.

“The program got my daughter moving and helped her get in shape! She learned to push herself to obtain her goals. The whole experience really helped [my daughter] to develop her self-confidence, and build a positive self-image. And to the folks who helped make this program financially possible for our school/students...we cannot say THANK YOU enough!” –Girls on the Run Parent
