

> We are so very grateful! <

Girls on the Run inspires girls to be **joyful, healthy** and **confident** using a fun, experience based curriculum which creatively integrates running.

Dear Friends,

Here's to strong, healthy, confident girls!

Thanks to your support, Girls on the Run:

Changed lives

- 85% of girls improved in **confidence, competence, caring, character and connection.**
- 97% of participants learned **critical life skills**
- **Girls who were least active at the start of the season increased in physical activity by more than 40%.***

And that's just the beginning! Our program teaches essential life skills that help girls approach decision-making and conflict with careful intention. So they're not just moving forward—they have a tangible destination in mind.

Thank you again for supporting Girls on the Run of Berks County. We *run* because of you.

With gratitude,

Sandra Krafczek | Executive Director
