

## SoleMates Frequently Asked Questions:

### ***How do I sign up?***

You can register online through the link on our website. There is no fee for registering as a SoleMate, but you will be asked to put a credit card on file. **Your registration will appear in "waiting list" mode.** Don't worry--you are indeed registered and we will only charge your account if you do not reach your fundraising goal by June 21, 2017.

### ***Do I Have to Pay For My Race Registration?***

Yes and no. New SoleMates are responsible for their race registration fees (paid directly to the Hartford Marathon Foundation). However, we are so grateful to our returning SoleMates that returning runners who sign up to run in the 2017 Mystic Half Marathon or 10K will not have to pay for their race registration. Registration instructions will be emailed to SoleMates wishing to take advantage of this great opportunity.

### ***What Races Can I Sign Up For?***

We have a team of runners participating in the Mystic Half Marathon on May 21, 2017.. However, you can participate in the race of your choice.

### ***What Is My Fundraising Deadline?***

The goal is to reach the fundraising minimum before the event! However, we do request that you reach your \$300 minimum fundraising goal within 30 days after your race has been completed. At that point, the credit card on file will be charged any remaining balance.
